- [Total Force: Stop Movement for PACAF Military and Civilians](#)

The Air Force Personnel Services (AFPERs) website will now tailor itself to customers logging into AFPERs. In this example, Senior Master Sgt. Jennifer Koenig has successfully logged into AFPERs and the first web page she sees is the Air Force Reserve Enlisted home page. This is her default home page that matches her user profile settings.

Announcements for Airmen

- Total Force: Assistance for Accessing AFPC Secure from Personal Computers
- Reserve: SSgt Promotion Release and Information
- Total Force: Stop Movement for PACAF Military and Civilians

The information on the default home page is tailored to the user's component. Senior Master Sgt. Koenig is an enlisted Reservist, which automatically makes her default home page include Air Force Reserve enlisted information. Each component home page includes three sections: I Would Like To, Most Viewed Articles, and Announcements for Airmen.

The "I Would Like To..." section is a quick reference of personnel actions you can accomplish on the AFPERS website. These actions can either help you learn more about a particular subject or perform a personnel transaction. The "I Would Like To..." section is your gateway to getting things done on the AFPERS website.

You must also select a sub-category under "Change Default Homepage". After making your selection, save your settings using the save button at the bottom of the web page. You can change these options at any time. The "Change Default Homepage" option was created for customers who work for multiple Air Force components. For example, civilians who are also part-time Reservists can use this option for more tailored information.
