SECTION I : IDENTIFY POST-TRANSITION PERSONAL/FAMILY REQUIREMENTS

A. TAKING CARE OF INDIVIDUAL/FAMILY MEMBER NEEDS

Identify individual/family needs such as medical care, mental health care, expenses, and location of potential providers.

Identify extenuating individual/family circumstances (e.g. need to provide care for elderly parents, family business, exceptional family member needs, etc.).

Assess impact of individual/family requirements on relocation options (e.g. quality of schools, availability of medical care, spouse employment opportunities, etc.).

What person or persons do you go to for advice, personal counsel and/or mentoring when facing a difficult challenge or decision? Will you still have access to those persons after you separate from AD? Consider what steps you need to take now to maintain contact.

The installation transportation office can provide detailed information about planning the movement and storage of your household goods. Visit the VA website to get information on the VA home loan.
